## **Family Faith Talk:**

It's sometimes difficult to ponder that all of us were at one time sons and daughters of disobedience (Ephesians 2:2), following the ruler of this world (John 14:30). In contrast, the world tries to downplay sin and tell us that on our own, 'we are all good'. (1) Why is it important to recognize our human depravity and disposition towards hate?

(2) Action Steps. Genuine love is rooted in action... wrapped in truth... full of Christlikeness! What action step of love is God leading you toward this week?
